HELLO

My name is Hyeonseok, majoring in Media Communications at Humber.

Even though I have been studying design, I realized that there are still lots of things I should learn, so I am eager to handle well all the design applications such as Adobe programs, video editing and even coding. I believe that my passion will benefit your company, and I also wish to learn and grow while working.

MEDIA EXPERIENCE

Humber Polytechnic

Nov 2024 - Dec 2024

- Functional Filming Project

- ▶ Produced a 2-minute short film through planning and filming.
- ▶ Edited the video using Adobe Premiere Pro.
- ▶ Planned content, managed shooting schedules, selected filming locations, and set up filming compositions.

Humber Polytechnic

Oct 2024 - Nov 2024

- PSA Graphic Design Project

- ▶ Coordinated schedules and planned content in collaboration with a team member.
- ▶ Researched and selected various PSAs, and sketched new PSA designs.
- ▶ Compiled the entire process with a team member, created a PPT, and conducted a presentation.
